

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

It is probably because our children are older now and can do more for themselves, but Monday morning and back to school did not seem near as hectic as it has in past years.

It is strange how the tempo of the whole town changes with a new school term. We suppose that part of it is just that the opening of school signals the coming fall and the end of vacation season.

With our family the biggest difference is the need for tighter time tables and schedules to take care of the need for everyone to be in so many different places.

With football about to start in earnest, the dove season opening, and so many organizations starting back this time of year it is not hard to see how nearly everybody in town is affected.

For a newspaper the coming fall is somewhat of a blessing since there are times during the summer when it is real hard to find enough happening to fill up a paper.

We received a bulletin this week from the Texas Press Association in which the 16 days of the year that the American flag should be flown were listed.

The list was part of an article on the need of the Stars and Stripes to be flown proudly everywhere in these United States.

We believe that some organization in Hamlin could come up with a good money making project if they would offer a flag flying service to the local merchants.

The club or organization could charge so much a year for furnishing the flags and poles and put up the flags and take them down on each of the 16 flag flying days.

Many times the businessmen would like to fly their flags but are out of town on the holidays.

We know that we here at the Herald, have been guilty of not flying the flag as we should and do not draw much consolation from the fact that most of the other merchants also fail to fly theirs.

During this time in our nation's history we believe it would be well if we took greater pains in showing that we are proud of our country and its free heritage.

There has been some publicity on the fact that a committee is studying the possibility of consolidating the Hamlin, Stamford and Anson schools. This report has caused some concern here in Hamlin since we have just voted a bond issue to build a new high school.

Some people seem to be worried that we might have a building on our hands that we would not need.

After attending a meeting of the committee last week we can report that it would seem that if the three schools ever consolidate it will be so far down the line that we will have already gotten our money's worth from the new building.

The consolidation of all the schools in a county may be fine in a county where there is only one principal town and smaller communities but when you have three towns like Jones County has, consolidation would seem to create more problems than it would ever solve.

There seems to be two reasons for consolidation — one is to operate more efficiently and the other is to offer better opportunities.

Because of the transportation and distances involved it is doubtful if there would be enough saving in Jones County to justify the inconvenience. As far as better opportunity for the students is concerned there are a number of ways that the schools could cooperate to give these opportunities.

In some fields the three schools could hire one teacher to go from school to school and in the technical fields it would be possible to set up something in one school and just transport the students involved.

We feel that the work of the committee is important and should be continued in that every effort should be made to offer our children a better education and any ideas should be studied. But we also feel that for sometime to come each of the three towns had best make every effort to solve their own problems.

TREATING STAGNANT WATER TO KILL OUT MOSQUITOES

CITY EMPLOYEES SHOW WHERE MOSQUITOES BREED

## City Employees Waging War On Mesquito, But Seek Help From Citizens

The City of Hamlin employees have increased their war on the mosquito following the recent rains, according to Bill Rountree, superintendent. While the city is doing everything possible to control the mosquitoes, Rountree called on local citizens to aid in the effort.

Standing water is the main thing that must be controlled in the fight against mosquitoes.

toes and the city uses diesel oil, Tossits and drains the water where possible.

Rountree said that it is the smaller areas on private property that cause the most trouble in that the city employees can not get around to all of them. Trash, abandoned tires, barrels, and other things that will hold water will give mosquitoes a place to breed.

Rountree has asked all citizens to aid the city in the

battle by emptying any standing water on their property or by pouring oil on top of any water that can not be emptied.

The thing that puts extra work on the city employees is that they must start all over in their efforts after every rain.

Although there is major concern because of the many cases of encephalitis coming from several sections of Texas the local sanitation depart-

ment has been waging their war on the mosquito for many years.

The Culex tarsalis mosquito, a carrier of the disease, has been found in this area in the past, Rountree said. No check has been made recently to determine if it is prevalent at this time.

Rountree's crew have certain rounds they make after every rain in an effort to control the breeding places such

as abandoned water troughs, trash barrels, old cars, creek bottoms, old tires and the like, but it is physically impossible for them to cover all of the town, hence, the need for the local citizens to aid in the effort has been brought out.

Besides the small areas that the employees cover after each rain with oil, they use a product called Tossits that they toss into the water and as it dissolves the water is

coated on the larger areas.

Dusting is done by the City when the weather conditions are favorable. But the wind must be just right for this to be successful, according to Rountree.

Because the mosquito is not only a pest but also a health hazard, Rountree stressed the need for an all-out effort on the part of both the city and the local people in this endeavor.

### EARLYDAY COMMISSIONER—

## W. L. Fletcher, 97, Dies Here Friday, Services Held Sunday

W. L. Fletcher Sr., 97, longtime resident of the Hamlin area and a retired farmer, died at 7:40 p.m. Friday in Hamlin Memorial Hospital. He had been hospitalized for two weeks.

Services were held Sunday at 3 p.m. in First Methodist Church with the pastor, Rev. Cecil Hardaway, and Byron Bryant, pastor of First Baptist Church, officiating.

Born Jan. 12, 1869, in Bowden, Ga., he was the son of the late Mr. and Mrs. John Fletcher. He was married to the former Mary Louise Brown in Bowden July 19, 1891.

The couple came to Texas in 1894 and lived in Hill County until 1907 when they came to Jones County.

He served two terms as County Commissioner and during that time he used one of the first road graders and helped cut many new roads through the area.

During his tenure as commissioner the present Jones County court house in Anson was erected and his name is on the cornerstone with the other officials.

Mr. Fletcher served on the county school board and was active in the first consolidation.

### Most of Town To Close Monday For Labor Day

Most of the businesses in Hamlin will close Monday, Sept. 5, for Labor Day.

Labor Day is one of the optional holidays listed by the Trade Development Committee of the Board of Community Development. Most retail stores elect to observe the holiday.

### BAKE SALE

A bake sale sponsored by the Missionary Society of Oak Grove Baptist Church will be held Saturday morning from 9 to 12 a.m. in front of the F & M National Bank.

President of the Society is Louberta Maxwell.

Guests in the home of Mr. and Mrs. W. W. Fletcher were their son, Lane Fletcher, Mitch and Mike of Amarillo,

W. L. FLETCHER  
... services held Sunday  
tion of county schools. He also

helped organize the co-operative gin at Hamlin and helped in forming the local unit of Rural Electrification Administration.

The couple observed their 70th wedding anniversary in July, 1961.

Mrs. Fletcher died June 4, 1962.

He was a member of First Methodist Church and the Masonic Lodge.

Burial was in Hamlin East Cemetery.

Survivors include three sons, W. L. Fletcher Jr. of Abilene; W. W. and L. J. of Hamlin; four daughters, Mrs. B. H. Gardner of Hamlin, Mrs. C. F. Murray of Pasadena, Mrs. J. H. Barnett of Littlefield, and Mrs. Neal Chastain of Spur; 24 grandchildren; 56 great-grandchildren; and two great-great grandchildren.

### CORRECTION

In a recent story on the grand opening of Lee's Shamrock Station the article said that "a case of Pepsi Cola will be given with a fill-up."

This should have read, "a case of Pepsi Cola will be sold for \$1.00 with a fill-up."

Elizabeth Cunningham was one of 80 students from Hardin-Simmons University, Abilene, to attend Student Week at Glorieta Baptist Assembly, Glorieta, N. Mex. The group left Thursday and returned Wednesday.

## Booster Club Sets Barbecue Here Saturday

The Booster Club will hold its annual membership drive Saturday night with a barbecue at the stadium, according to Burt Oliver, president. Admission to the feed will be free to all members and their families.

Non-members will be able to purchase a meal ticket for \$1.00.

All Hamlin school students will be admitted free.

The football players and their coaches will be introduced at this time.

Individual memberships are \$3.50 and \$5.00 for family memberships.

The Booster Club will hold its regular meeting Monday night at the high school cafeteria at 7:30.

## Mrs. Copeland, 58, Dies Here Sunday, Rites Tuesday

Mrs. Myrtle Copeland, 58, lifetime resident of Hamlin, died at 2 p. m. Sunday at Hamlin Memorial Hospital after a heart attack.

Services were held at 2 p. m. Tuesday in First Methodist Church with the pastor, Rev. Cecil Hardaway, officiating.

Born Mar. 25, 1908, in De Leon, she had lived in Hamlin for 58 years. She had operated a beauty shop here.

She was a member of the First Methodist Church and the Eastern Star.

Survivors include her mother, Mrs. Nora Hopper; one son, Thedford Ray Copeland of Fort Worth; and three granddaughters, Karen, Angeline, and Sharon Copeland of Fort Worth; three brothers, L. H. Hopper of Hamlin, J. B. Hopper and J. O. Hopper, both of Fort Worth; one sister, Mrs. Paul Cain of Sweetwater.

### BRIDGE WINNERS

Mrs. Harvey Elkins and Dale Lain were first at the master point session, a special event of mixed pairs, held Tuesday evening by the Hamlin Duplicate Bridge Club.

Mrs. G. W. Comegys and Harry Yates of Stamford were second and Mrs. Harry Yates and Preston Morrow of Rotan were third.

## Crowded Conditions Force Several Changes In Schools

A number of changes have been made in the operation of Hamlin Public Schools and school officials are pleased with the results, according to Supt. C. F. Cook.

To accommodate the increased enrollment brought on by integration of the second through fifth grades, a building from Oscar DePriest School was moved onto the lot of Junior high school and the old junior high cafeteria was remodeled. Several new classes have been added and some have had to be moved to other buildings.

New classes were added in the second, fourth, and fifth grades.

The additional second grade, with Mrs. Charles Absher as teacher is in the primary building. A third grade class with Mrs. Grady Allen as teacher was moved into the elementary building.

The elementary and junior high buildings experienced the most change. Three fifth grade classes were moved into the northwest wing of junior high building. An additional fourth grade class with Mrs. Gene Prewitt as teacher was formed. The three fifth grade classes in the junior high school building have departmentalized classes. The other fifth grade class, taught by Miss Odean Murphree, remained in the elementary building.

The two sixth grades, formerly in the northwest wing were moved to the room formerly used for public school music and the film room in the southwest end of the building.

Public school music classes are now held in the building that was moved in.

The old cafeteria was made into one classroom, two study halls and the new library. Fifty new desks were placed in the study halls and 25 more have been ordered.

Air conditioners were placed in a number of the rooms.

Added to the curriculum this year is a remedial reading class and a remedial math class for eighth grade students.

The primary cafeteria is serving lunches to a greater number of students. Thirty fifth grade students are carried by bus each day to the high school cafeteria to relieve the over crowded condition. Plans indicate that the

three classes in the junior high building will rotate by the week in going to the high school to be served.

Teacher's aides are Mrs. Bill Chapman in the primary building and Mrs. Dan Gallagher who divides her time between the elementary and junior high buildings.

Mary Esco is the new junior high librarian.

Further physical changes at the high school building were not made this year. High school as integrated last year and additional classroom space was made from the old gym at that time, utilizing all available space.

Total enrollment in all schools reported Wednesday was 963. There are 245 primary students; 174 in elementary; 241 in junior-high; and 305 in high school.

## Program on Trip To Canada Set Sunday by Scouts

The Boy Scouts and Explorers who went to Canada this summer will present a program Sunday at 2:30 p.m. in the high school auditorium. They will show films and slides of the canoe trip taken into Canada.

Everyone interested in seeing the pictures and hearing a report of the trip is cordially invited.

A watermelon feed will be held following the program in the cafeteria.

## Piper Scrimmage Set At McMurry Friday Evening

The Pied Pipers will hold their second scrimmage Friday night in McMurry Stadium in Abilene with the Ballinger Bears, according to Joe Youngblood.

Youngblood said that the scrimmage will start between 6:30 and 7:00 p.m. with both the B Team and Varsity taking part.

The Pipers scrimmaged Sweetwater here last Friday night.

## Linda Andress, Rayford Williams Exchange Vows In California

Linda Louise Andress became the bride of Rayford W. Williams Aug. 20 in the First Christian Church of Gardena, Calif. A reception at the church followed the 7:30 p.m. ceremony.

Officiating was the minister, Rev. Dean B. Cornwell. The bride, daughter of Mrs. Louise Fowler Andress of Gardena and Mr. Carl Andress of Torrance, Calif., was given in marriage by her father. She wore an Alfred Angelo original of silk linen. Her empire gown was accented with a Venetian lace ruffle designed with seed pearls and with a chapel train. Tiny crystal and pearl petals held her illusion veil. She carried a cascade of white orchids and stephanotis.

Judy Fuller was maid of honor and bridesmaids were Pat and Pam Andress, the bride's twin sisters, and Miriam Shayne Redden of Wilmington.

## Bids, Legals P

**Advertisement For Bids**  
Sealed proposals will be received by the City of Hamlin, Texas at the office of the City Secretary for paving on S. W. Avenue F and N. W. Avenue E until 7:30 P. M., September 19, 1966.

Immediately following the closing time for receipt of bids, proposals will be publicly opened and read aloud. Any bid received after closing time will be returned unopened.

Contract Documents, including plans and specifications, are on file and may be examined without charge in the office of the City Secretary at City Hall, Hamlin, Texas, and in the office of Freese, Nichols and Andress, Consulting Engineers, 508 Throckmorton Street, Fort Worth, Texas. Contract Documents, including plans and deposit of \$10.00 which deposit will be refunded as provided in the Instructions to Bidders.

Bid security and performance, payment and maintenance bonds shall be as set forth in the Instructions to Bidders.

There shall be paid on this project not less than the generally prevailing wages which have been determined by the Owner and which are contained in the schedule that is made a part of the Contract Documents.

The Owner reserves the right to reject any or all bids, to waive formalities, and, in case of ambiguity or lack of clearness in advantageous to the Owner. No bid may be withdrawn within thirty (30) days after date on which bids are opened.

The City of Hamlin, Texas  
Holliis W. Madden, Mayor

Mr. Williams, son of Mr. and Mrs. Earl Williams of Hamlin chose Harold "Skip" Tryon as his best man. Ushers were Steve Andress and Tommy Blackburn, cousins of the bride, and Richard Fuller.

The bride, a Gardena High School graduate in 1964, attended McMurry College in Abilene. She was a member of TIP Sorority.

Williams is a 1966 graduate of McMurry College, where he was affiliated with IHR fraternity. This fall he will teach sixth grade in Cypress, Calif., where the couple will reside after a honeymoon in Northern California.

Mr. and Mrs. Williams were present for the marriage of their son.

## Mrs. Joe Hall To Head Ladies Golf Association

Mrs. Joe Hall was elected president of the Ladies Golf Association last Tuesday.

Mrs. Dan Gallagher was elected vice president; Mrs. H. D. Stallcup, secretary and Mrs. David Casey, reporter.

The election of officers was held following the City Tournament which was won by Mrs. M. L. Smith.

## Ruth Class Meets In Fellowship Hall

Ruth Class of North Central Baptist Church met in the Fellowship Hall of the church Tuesday.

Mrs. Ben Wilcox gave the devotional.

Mrs. Harold Lee gave the opening prayer and Mrs. Newell King was in charge of the Bible quiz.

A grab box of gifts was presented to Mrs. A. G. Anderson, class mother.

Refreshments were served. Mrs. King voiced the closing prayer.

## W.S.C.S. Sets Luncheon Sept. 6

The W. S. C. S. luncheon will be held Sept. 6 in the Fellowship Hall of First Methodist Church.

Mrs. H. L. Mehaffey will present the first session of the Bible Study as the program. Books to be studied will be James and I Peter.

## Work Started On Birthday Calendar By Senior Class

A new Community Birthday Calendar is being prepared by the 1967 senior class to be distributed the first part of December.

This 1967 calendar will list birthdays, anniversaries, meeting dates of clubs, school activities, plus advertising by our local merchants.

The class members will be happy to have your listings and to reserve a calendar. The listings are 25 cents per line and 75 cents for each calendar. This calendar makes a good memo, gift, or souvenir.

The sale will be from Aug. 29 to Sept. 10.

## Grandson Honored With Navy Medal

Seaman Apprentice James O. (Jimmy) Crawford, grandson of Mr. and Mrs. J. A. Morris, Rt. 1, has received the American Spirit Honor Medal at the Naval Recruit Training Center, San Diego, Calif.

Crawford, son of Mr. and Mrs. Onis Crawford of Merkel, attended Hamlin Public Schools from 1952-55.

He was chosen from more than 1,000 recruits as one of those who possesses the qualities of leadership, honor, initiative, loyalty and a high example to comrades in arms exemplifying today's Navyman.

He visited with his parents before reporting for on the job training as an electronics technician.

Visiting in the home of Mrs. B. H. Gardner this weekend were two daughters, Dr. and Mrs. Kendall Young, Cathy, Ruth, and Kendall G. and Mrs. Dorothy Bourillion of Lubbock. They also visited with their brothers, Harry and Ed Gardner.

## Reception to Honor Fred Allens Sat. On Anniversary

Mr. and Mrs. Fred Allen will be honored on their 50th Wedding Anniversary with a reception in their home Saturday, Sept. 3. All friends of the couple are invited to call from 3 to 5 p.m.

The couple's children and grandchildren will be hosts.

Mrs. Allen is the former Miss Vernie Ann Horton. They were married Sept. 3, 1916, in Ivan, Texas. He worked for T. P. Oil Co. for many years before his retirement.

The Allens have two sons, J. W. Allen of Whiteface, Texas, Milton Allen of Fort Worth; a daughter, Mrs. R. H. Norton of Ontario, Canada; and 13 grandchildren.

Mr. and Mrs. Glen Williams, Howard and Juanita, J. R. Binnicker, Terese Perrin, Mr. and Mrs. Butch Hunt and Kelly, attended the family reunion of Mrs. Williams' family, Mr. and Mrs. W. H. Sellers, in Crowell.

## WHO'S NEW IN HAMLIN

A free six-weeks subscription will be sent to the newcomers to the Hamlin area mentioned each week in this space, compliments of the Hamlin Herald.

Mr. and Mrs. Eugene Gibson, 350 W. Lake Drive, moved here from Tripoli, Libya, where they were associated with Continental Oil Co. for two years. They were transferred to Hamlin two weeks ago. He is a pumper.

Eugene and Zona have four children, a married son, B. D. Gibson, of Garland, Genia Faye, 13, Rodney, 9, and David, 7; and a grandson of Garland. They are members of the Methodist Church.

Mr. and Mrs. Raymond Plumlee and daughter, Pauline, live on Route 1. They moved here from Palestine where they had lived for seven years. He was a pumper

for an independent oil company. They formerly lived in Stamford.

They have four married children, James Plumlee of Stamford, Mrs. Milze Brown and Mrs. M. J. Hickam of Abilene, and Bob Plumlee of Snyder.

The Plumlees are members of the Avoca Baptist Church.

Mr. and Mrs. W. H. Schmidt are living at 608 N. W. Ave. H. He is a serviceman for the West Texas Utilities Co. They moved here from Spur.

They have two married sons, John of Weatherford and Freddie of Canyon.

He was a Volunteer, fireman in Spur.

## 150 Attend Second Annual Rolling Plains Cotton Growers Meeting

The second annual membership meeting of the Rolling Plains Cotton Growers was held on August 23 at 2 P. M. in the Stamford High School Auditorium with approximately 150 present. Dr. Hugo B. Haterius opened the meeting with the invocation, followed by a welcome from L. L. McCaleb, president of the Chamber of Commerce.

Principal speaker for the occasion was F. Wainwright Bleas, South Central Area ASCS Area Director who was introduced by Bland Harrison of Stamford, State ASCS fieldman. Mr. Bleas told the group the 1967 cotton production regulations would seek to maintain a better balance between supply and demand, that producers wishing a price support program would have to cooperate in acreage reduction regulations and that there was little chance of any changes in present skiprow regulations.

Mr. Earl Younts of the National Cotton Council gave an interesting comparison of the markets of synthetics and cotton at the present and told of plans for cotton promotion which will begin this fall through national magazine advertising.

Charles Stenholm, executive vice president of the RPOG, gave a resume of the work accomplished the past four years and plans for the

coming year. Bob Hartgrave, CPA gave a report on the 1966 audit which showed a net income of \$30,686.44 for the fiscal year against expenses of \$36,709.49, showing a loss of \$6,023.05.

Following a complete explanation of the Research and Promotion Act, the president called for a vote on complete support of the Act, which vote was unanimous by the members present.

A meeting of Directors was held following the members' meeting at which time the Directors discussed and approved setting up 10 districts in the 31 counties based on comparative production bases, increasing the number of directors from seven to 10. In the re-organization session, Mr. J. B. Cooper, Jr. of Roscoe was re-elected president, Johnny Hansen of Avoca was re-elected secretary and Neuman Smith of Ballinger was elected vice president to succeed S. N. Reed of O'Brien. The following directors and district no. were elected Paul Montgomery of Memphis, No. 1, Joe Liles of Childress, No. 2, L. H. Wall of Vernon, No. 3, Sammy White of Knox City, No. 4, J. T. Odell of Woodson, No. 5, Johnny Hansen, No. 6, Ross Hargrove of Colorado City, No. 7, J. B. Cooper, Jr. of No. 8, Neuman Smith No. 9 and R. O. Werner of Miles, No. 10.

## SYLVESTER NEWS...

By Mrs. R. M. Babb

My, but it is wet this Monday morning, we just had 2 inches of rain early this morning and it looks like we may get more before the day is over, however south of town it only rained 1/2 inch, but maybe they will get more if they need it.

As we returned home from Church on Sunday night we saw a car stop, go forward, stop, back up and then repeated the process again, yes you have guessed it, Frank Kemp of McCauley was killing a rattler, seems there are quite a few around here near our house so every one be careful at all times.

Well this is the day, school started today I know all the young people were happy to jump out of bed this morning and get ready for school. Jackie Williams won't have to worry about catching the school bus as his mother, Mrs. Herbert Williams will be teaching in the Roby Public School as teacher of Special Education. She taught in the Sylvester Negro school for several years and then in the Aspermont Negro School then last year in the Public School System in Aspermont.

Mr. and Mrs. Thurman Douglas were here from Arkansas last week trying to find a place to live. I believe they will be living in Roby until they get their house built out here on the farm. Also, living in Roby for the present are the Kenneth Mauldin's they have moved back from Breckenridge.

Lea Dickerson has spent several days in Hamlin Hospital, almost having pneumonia. He had hoped to come home Monday but this weather may prolong his stay.

Mrs. Mary Evelyn Porter of Roscos and children spent several days last week with her parents Mr. and Mrs. J. M. Montgomery.

Mr. Chub Hardwick and Vanessa drove to College Station on Friday to bring John home. I believe John plans on attending McMurry this fall.

Mrs. A. J. Griffin had relatives visit in her home one day last week and when they returned to Oklahoma she went with them.

Mrs. Mary Ellen Tanner of Abilene spent the day Sunday in her daughter's home, the Kenneth Leverett's and attended church with them.

Mr. Will Kelly has brought some of the lots on the old school ground and is moving in a house where Joe Boy and his family will live, who said Sylvester isn't growing?

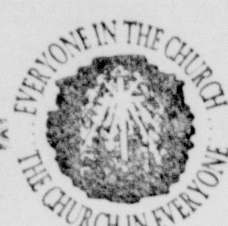

Mr. and Mrs. A. T. Williams of Odessa visited in the Roy Kiser home over the weekend, and also visited Mrs. Williams Mother, Mrs. Allie Ward of Hamlin.

Every one I heard say reported they had a wonderful time at the Rodeo in Roby last weekend.

## Make your life have the right...

on others

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The carpenter knows that there is a proper way to hold the hammer, and that the nail must be hit from the right direction or the nail will bend. As children of God we need to make the right impact on others. When we attend church we learn how to treat others, and at the same time are setting an example for others. If we remain straight as a well hit nail, then others are less likely to bend. "For I have given you an example, that ye should do as I have done to you."

The school doors were opened Aug. 29 to all the eager pupils. From the enthusiastic children starting in the first grade, right down to the great Seniors finishing their last year.

The Freshmen were glowing all over, believing that they really made a large step in life, starting in high school.

The Sophomores were filled with pride because they are now upper-classmen.

The Juniors are already looking forward to the Jr.-Sr. trip.

The Seniors are excited about their last year in high school, and then on to college.

Each class is looking ahead to the football, basketball, volleyball and track season and the parties and activities that accompany these activities.

Spurlon Harris was elected president of the Senior Class. Other officers are Martin Hernandez, vice president; Jeanne Acklin, treasurer; Linda Spalding, secretary and Adolfo Guerrero, reporter. Senior pictures will be taken Sept. 8 and all of the boys and girls are selecting appropriate ties and dresses for the event.

41 Expected to Die In Labor Day Weekend Traffic In Texas -- DPS

Austin — Col. Homer Garrison, Jr., director of the Texas Department of Public Safety reported today that DPS estimates indicate that 41 persons will die in traffic accidents during the three-day Labor Day weekend.

"The current traffic trend indicates that Texas is headed for its third straight record high in terms of fatal accidents," Garrison said. "At the present time we are approximately 15 per cent ahead of the same time in 1965. . . and we are still faced with the four months of the year which generally produce the most deaths."

"More people are killed in Texas each year in traffic than are killed in all the United States by murder and homicide," Garrison continued, "and the deaths are just as senseless, as needless and as tragic, but not nearly as well publicized."

"Psychologists say that one reason the general public fails to take positive action in

OLD GLORY . . .

By JUDY WHITE

Several showers totaling about an inch and one-half fell here last week, then on Sunday night the community received from two and one-half to three inches more. This has brought a temporary halt to the maize harvest in this area.

Mrs. Joy Jameson who taught third and fourth grade here during the past two years has resigned to teach in Aspermont this year. Mrs. Jameson has many friends in this community and we regret to see her leave, but we do wish her the best of luck in her new job.

Mrs. H. E. Carr observed her 86th birthday on Thursday, Aug. 25. Her daughter, Mrs. J. F. Newman, prepared her birthday dinner and brought it to her home. Among those who called during the day were Mrs. Bill Wey of Hawley and Mr. and Mrs. Jiggs Fouts of Wichita Falls. She also received many cards and telephone calls from friends and relatives both near and far away.

Recent visitors in the home of Mr. and Mrs. J. F. Newman included two of their sons and their families, the Jim Delton Newmans of El Centro, Calif. and the James Russell Newmans of Seminole.

Mr. and Mrs. Herbert

Bill Feagan, Cecil Sellers Named Round-Up Leaders

Bill Feagan and Cecil Sellers have been named area chairmen for the Cattleman's Round-Up for Crippled Children by Charlie Morris, chairman.

These men along with others will lead the Round-Up which is the chief means of funds for the West Texas Rehabilitation Center of Abilene.

Only recently, Roff Hardy, president of the board of directors at the Center, announced that for the first time in its nearly 13 years of existence, the Center was forced to borrow \$20,000 in order to continue its free treatment of 1,604 patients.

Last year, the Round-Up raised \$80,000 toward the Center's annual budget of \$251,900. Other funds for the Center, which has never accepted state or federal funds, have come from United Funds, memorial, and general contributions.

Skydiver Added To State Fair Midway Rides

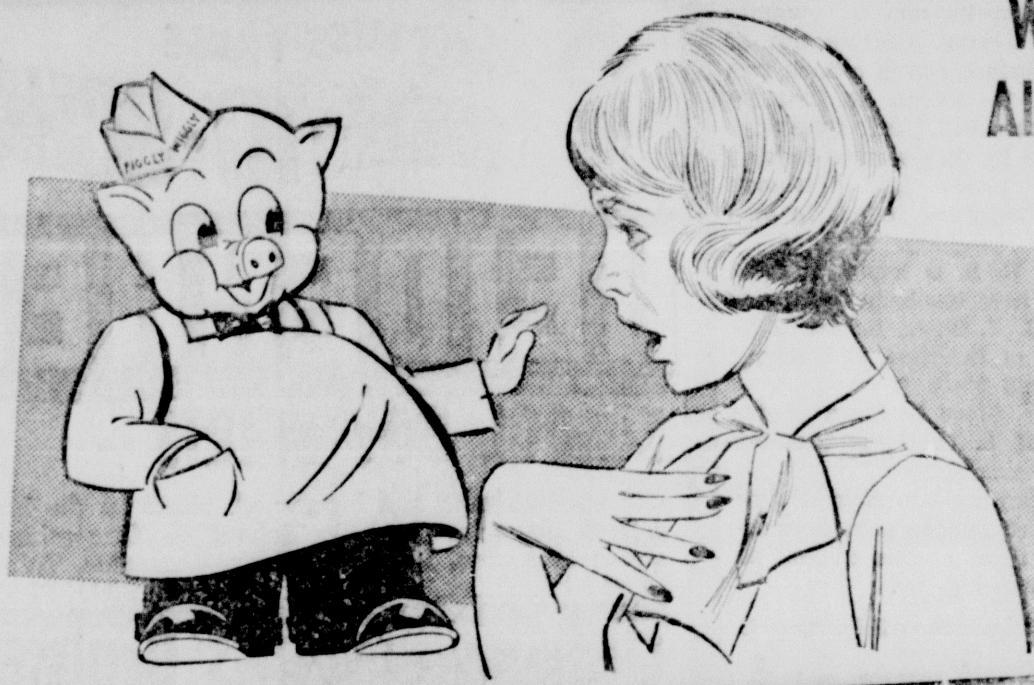

That Big Tex, the colossus of the cowboy world, should stand at the entrance to the most mammoth of Midways seems only right.

Actually Big Tex's Million Dollar Midway may not be the biggest in the world, but it does offer an unparalleled king-sized area of fun features, surely and solidly packed and jammed with every kind of brand new and old familiar ride and amusement device.

One of the newest rides — the Skydiver — will be a featured attraction on the Midway at the 1966 State Fair of Texas October 8 through 23 in Dallas.

This exciting skyscraper, resembling a Ferris wheel and making its debut on the amusement circuit this year, is 75 feet high and is equipped with enclosed gondolas which can be controlled by the riders as the big wheel soars far above Midway.

A brand new version of the Himalaya — would you believe faster and louder than ever? — will be easy to find, along with a riot of other rides which have proven popular among the Midway fans — The Roundup, Flying Cages, Cakewalk, Flight to Mars, Calypso, the Trabant, Zoomer, German Fun House and Go-Cart Grand Prix.

DOUBLE S&H GREEN STAMPS ON WEDNESDAY

**STUDENTS RECEIVE INSTRUCTIONS**  
—Principal B. V. Newberry speaks to the students at Hamlin High School at an assembly in the high school auditorium. There are 305 enrolled in high school. The Freshman class is largest with 89 students, 50 boys and 39 girls.

The Sophomore class includes 37 boys and 47 girls, a total of 84. The Junior Class of 68 students has an equal balance of boys and girls. The Senior Class, also with an equal balance of sexes, has 64 students.  
(Tim Jones Photo)

The band began work several weeks ago at summer band school. Getting out of bed before eleven o'clock was hard to accept at first by most students, but as the days rolled by they started looking more awake. The Freshman are beginning to get in step while marching.

H. H. S. is happy to have two new teachers this year. Mr. L. J. Starr, former principal of DePriest, is teaching Related Math I.

Mrs. Steve Smith, a graduate of A. C. C., is teaching Homemaking.

There are a number of new students and we plan to introduce them in this column as the weeks go by.

## Area Farm and Ranch News

By DON ELMORE

Boy it's good to be home. Hospitals are wonderful, but you sure tire of them fast. Say, someone wrote the right place and got the best rains you could order. This ole country can look the worst and with a little rain, it will perk up and look the best of any place I know.

Say all you horse-men and women, Labor Day they are having a play day at Old Abilene Town. There will be two classes of Western Pleasure — Junior, 15 and under; Senior, 16 and over. Buckles in each age group.

Speed events are Pole Bending, Flag Race, and Barrels with three age groups — 13 and under, 14 to 17, and 18 and over. Buckles for high point rider in each age group. Entry fee is \$1.00 for western Pleasure and 50 cents in each speed event.

It does not matter how good or bad anyone rides or competes, you will have a good time at this play day. My family and I all went to one last year and really enjoyed ourselves. The people of Abilene were very friendly and cordial to us.

All minors will need a minor release, which I have some blanks for anyone who wants one.

Well you can tell it is nearly wheat grazing time. I heard some rancher and farmers talking about 28 to 32 cent calves. So I'm sure it was for wheat grazing. They're the only ones eager enough to pay like that for calves.

I wish someone would write back and order a hard shower for some stock water, all the rains have fallen slow and not run our tanks full. The fish said they'd enjoy a fresh drink too.

### Reunion Set

The Franklin County Reunion will be held Sunday, Sept. 4, at Forest Park in Lamesa, according to Mrs. Tip Turner, a member of the group.

Everyone from Franklin County is invited to attend and take a basket lunch.

The reunion was organized by Former East Texas residents of Franklin County who are now living in West Texas.

### Benefit Show Set

A Country Music Jamboree will be held tonight (Thursday) at 8 p.m. in Merkel High School, a benefit performance for the Billy Powers Fund. Powers has been hospitalized for several months.

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

It is probably because our children are older now and can do more for themselves, but Monday morning and back to school did not seem near as hectic as it has in past years.

It is strange how the tempo of the whole town changes with a new school term. We suppose that part of it is just that the opening of school signals the coming fall and the end of vacation season.

With our family the biggest difference is the need for tighter time tables and schedules to take care of the need for everyone to be in so many different places.

With football about to start in earnest, the dove season opening, and so many organizations starting back this time of year it is not hard to see how nearly everybody in town is affected.

For a newspaper the coming fall is somewhat of a blessing since there are times during the summer when it is real hard to find enough happening to fill up a paper.

We received a bulletin this week from the Texas Press Association in which the 16 days of the year that the American flag should be flown were listed.

The list was part of an article on the need of the Stars and Stripes to be flown proudly everywhere in these United States.

We believe that some organization in Hamlin could come up with a good money making project if they would offer a flag flying service to the local merchants.

The club or organization could charge so much a year for furnishing the flags and poles and put up the flags and take them down on each of the 16 flag flying days.

Many times the businessmen would like to fly their flags but are out of town on the holidays.

We know that we, here at the Herald, have been guilty of not flying the flag as we should and do not draw much consolation from the fact that most of the other merchants also fail to fly theirs.

During this time in our nation's history we believe it would be well if we took greater pains in showing that we are proud of our country and its free heritage.

There has been some publicity on the fact that a committee is studying the possibility of consolidating the Hamlin, Stamford and Anson schools. This report has caused some concern here in Hamlin since we have just voted a bond issue to build a new high school.

Some people seem to be worried that we might have a building on our hands that we would not need.

After attending a meeting of the committee last week we can report that it would seem that if the three schools ever consolidate it will be so far down the line that we will have already gotten our money's worth from the new building.

The consolidation of all the schools in a county may be fine in a county where there is only one principal town and smaller communities but when you have three towns like Jones County has, consolidation would seem to create more problems than it would ever solve.

There seems to be two reasons for consolidation — one is to operate more efficiently and the other is to offer better opportunities.

Because of the transportation and distances involved it is doubtful if there would be enough saving in Jones County to justify the inconvenience. As far as better opportunity for the students is concerned there are a number of ways that the schools could cooperate to give these opportunities.

In some fields the three schools could hire one teacher to go from school to school and in the technical fields it would be possible to set up something in one school and just transport the students involved.

We feel that the work of the committee is important and should be continued in that every effort should be made to offer our children a better education and any ideas should be studied. But we also feel that for sometime to come each of the three towns had best make every effort to solve their own problems.

TREATING STAGNANT WATER TO KILL OUT MOSQUITOES

CITY EMPLOYEES SHOW WHERE MOSQUITOES BREED

## City Employees Waging War On Mesquito, But Seek Help From Citizens

The City of Hamlin employees have increased their war on the mosquito following the recent rains, according to Bill Rountree, superintendent. While the city is doing everything possible to control the mosquitoes, Rountree called on local citizens to aid in the effort.

Standing water is the main thing that must be controlled in the fight against mosquito-

toes and the city uses diesel oil, Tossits and drains the water where possible.

Rountree said that it is the smaller areas on private property that cause the most trouble in that the city employees can not get around to all of them. Trash, abandoned tires, barrels, and other things that will hold water will give mosquitoes a place to breed.

Rountree has asked all citizens to aid the city in the

battle by emptying any standing water on their property or by pouring oil on top of any water that can not be emptied.

The thing that puts extra work on the city employees is that they must start all over in their efforts after every rain.

Although there is major concern because of the many cases of encephalitis coming from several sections of Texas the local sanitation depart-

ment has been waging their war on the mosquito for many years.

The Culex tarsalis mosquito, a carrier of the disease, has been found in this area in the past, Rountree said. No check has been made recently to determine if it is prevalent at this time.

Rountree's crew have certain rounds they make after every rain in an effort to control the breeding places such

as abandoned water troughs, trash barrels, old cars, creek bottoms, old tires and the like, but it is physically impossible for them to cover all of the town, hence, the need for the local citizens to aid in the effort has been brought out.

Besides the small areas that the employees cover after each rain with oil, they use a product called Tossits that they toss into the water and as it dissolves the water is

coated on the larger areas.

Dusting is done by the City when the weather conditions are favorable. But the wind must be just right for this to be successful, according to Rountree.

Because the mosquito is not only a pest but also a health hazard, Rountree stressed the need for an all-out effort on the part of both the city and the local people in this endeavor.

### EARLYDAY COMMISSIONER—

## W. L. Fletcher, 97, Dies Here Friday, Services Held Sunday

W. L. Fletcher Sr., 97, longtime resident of the Hamlin area and a retired farmer, died at 7:40 p.m. Friday in Hamlin Memorial Hospital. He had been hospitalized for two weeks.

Services were held Sunday at 3 p.m. in First Methodist Church with the pastor, Rev. Cecil Hardaway, and Byron Bryant, pastor of First Baptist Church, officiating.

Born Jan. 12, 1869, in Bowden, Ga., he was the son of the late Mr. and Mrs. John Fletcher. He was married to the former Mary Louise Brown in Bowden July 19, 1891.

The couple came to Texas in 1894 and lived in Hill County until 1907 when they came to Jones County.

He served two terms as County Commissioner and during that time he used one of the first road graders and helped cut many new roads through the area.

During his tenure as commissioner the present Jones County court house in Anson was erected and his name is on the cornerstone with the other officials.

Mr. Fletcher served on the county school board and was active in the first consolidation.

### Most of Town To Close Monday For Labor Day

Most of the businesses in Hamlin will close Monday, Sept. 5, for Labor Day.

Labor Day is one of the optional holidays listed by the Trade Development Committee of the Board of Community Development. Most retail stores elect to observe the holiday.

### BAKE SALE

A bake sale sponsored by the Missionary Society of Oak Grove Baptist Church will be held Saturday morning from 9 to 12 a.m. in front of the F & M National Bank.

President of the Society is Louberta Maxwell.

Guests in the home of Mr. and Mrs. W. W. Fletcher were their son, Lane Fletcher, Mitch and Mike of Amarillo.

W. L. FLETCHER

... services held Sunday

tion of county schools. He also

helped organize the co-operative gin at Hamlin and helped in forming the local unit of Rural Electrification Administration.

The couple observed their 70th wedding anniversary in July, 1961.

Mrs. Fletcher died June 4, 1962.

He was a member of First Methodist Church and the Masonic Lodge.

Burial was in Hamlin East Cemetery.

Survivors include three sons, W. L. Fletcher Jr. of Abilene; W. W. and L. J. of Hamlin; four daughters, Mrs. B. H. Gardner of Hamlin, Mrs. C. F. Murray of Pasadena, Mrs. J. H. Barnett of Littlefield, and Mrs. Neal Chastain of Spur; 24 grandchildren; 56 great-grandchildren; and two great-great-grandchildren.

### CORRECTION

In a recent story on the grand opening of Lee's Shamrock Station the article said that "a case of Pepsi Cola will be given with a fill-up."

This should have read, "a case of Pepsi Cola will be sold for \$1.00 with a fill-up."

Elizabeth Cunningham was one of 80 students from Hardin-Simmons University, Abilene, to attend Student Week at Glorieta Baptist Assembly, Glorieta N. Mex. The group left Thursday and returned Wednesday.

## Booster Club Sets Barbecue Here Saturday

The Booster Club will hold its annual membership drive Saturday night with a barbecue at the stadium, according to Burt Oliver, president. Admission to the feed will be free to all members and their families.

Non-members will be able to purchase a meal ticket for \$1.00.

All Hamlin school students will be admitted free.

The football players and their coaches will be introduced at this time.

Individual memberships are \$3.50 and \$5.00 for family memberships.

The Booster Club will hold its regular meeting Monday night at the high school cafeteria at 7:30.

## Mrs. Copeland, 58, Dies Here Sunday, Rites Tuesday

Mrs. Myrtle Copeland, 58, lifetime resident of Hamlin, died at 2 p.m. Sunday at Hamlin Memorial Hospital after a heart attack.

Services were held at 2 p.m. Tuesday in First Methodist Church with the pastor, Rev. Cecil Hardaway, officiating.

Born Mar. 25, 1908, in De Leon, she had lived in Hamlin for 58 years. She had operated a beauty shop here.

She was a member of the First Methodist Church and the Eastern Star.

Survivors include her mother, Mrs. Nora Hopper; one son, Thedford Ray Copeland of Fort Worth; and three granddaughters, Karen, Angeline, and Sharon Copeland of Fort Worth; three brothers, L. H. Hopper of Hamlin, J. B. Hopper and J. O. Hopper, both of Fort Worth; one sister, Mrs. Paul Cain of Sweetwater.

### BRIDGE WINNERS

Mrs. Harvey Elkins and Dale Lain were first at the master point session, a special event of mixed pairs, held Tuesday evening by the Hamlin Duplicate Bridge Club.

Mrs. G. W. Comegys and Harry Yates of Stamford were second and Mrs. Harry Yates and Preston Morrow of Rotan were third.

## Crowded Conditions Force Several Changes In Schools

A number of changes have been made in the operation of Hamlin Public Schools and school officials are pleased with the results, according to Supt. C. F. Cook.

To accommodate the increased enrollment brought on by integration of the second through fifth grades, a building from Oscar DePriest School was moved onto the lot of Junior high school and the old junior high cafeteria was remodeled. Several new classes have been added and some have had to be moved to other buildings.

New classes were added in the second, fourth, and fifth grades.

## Randy George Wins At Jones, Fisher Fairs

Randy George, Hamlin FFA member, walked off with most of the honors in the swine division of the Jones County and Fisher County Fairs last week. Randy is the son of Mr. and Mrs. Callens George and a junior in Hamlin High School.

At the Jones County Fair held in Anson, Aug. 23-25, Randy won a first and fourth place in the gilts under 8 months class, first in the boar over twelve months class, and fifth in the light weight barrow class. He also showed the Grand Champion boar of the show and the Reserve Champion breeding swine female.

At the Fisher County Fair held in Roby August 26-27, Randy was also very successful. He showed the first place boar, a first, third, and fifth place gilt, and a first and second place barrow. He also showed the Grand Champion boar, the Grand Champion breeding female, and the Grand Champion and Reserve Champion barrow of the Fisher county Fair.

Randy shows under the supervision of T. C. Blankship and Milburn Wink, local vocational agriculture teachers.

The additional second grade, with Mrs. Charles Absher as teacher is in the primary building. A third grade class with Mrs. Grady Allen as teacher was moved into the elementary building.

The elementary and junior high buildings experienced the most change. Three fifth grade classes were moved into the northwest wing of junior high building. An additional fourth grade class with Mrs. Gene Prewitt as teacher was formed. The three fifth grade classes in the junior high school building have departmentalized classes. The other fifth grade class, taught by Miss Odean Murphree, remained in the elementary building.

The two sixth grades, formerly in the northwest wing were moved to the room formerly used for public school music and the film room in the southwest end of the building.

Public school music classes are now held in the building that was moved in.

The old cafeteria was made into one classroom, two study halls and the new library. Fifty new desks were placed in the study halls and 25 more have been ordered.

Air conditioners were placed in a number of the rooms.

Added to the curriculum this year is a remedial reading class and a remedial math class for eighth grade students.

The primary cafeteria is serving lunches to a greater number of students. Thirty fifth grade students are carried by bus each day to the high school cafeteria to relieve the over crowded condition. Plans indicate that the

### RAINFALL

Official rain measurement at the City Pump Station was recorded .65 Monday and .08 Tuesday for a total of .73 inches this week.

Visiting with Mr. and Mrs. Jerry Williams were her sister, Mr. and Mrs. Adelbert Cox, Greg and Teresa, of Decatur, Ga., and her mother Mrs. Willie Mae Shedd.

three classes in the junior high building will rotate by the week in going to the high school to be served.

Teacher's aides are Mrs. Bill Chapman in the primary building and Mrs. Dan Gallagher who divides her time between the elementary and junior high buildings.

Mary Esco is the new junior high librarian.

Further physical changes at the high school building were not made this year. High school as integrated last year and additional classroom space was made from the old gym at that time, utilizing all available space.

Total enrollment in all schools reported Wednesday was 963. There are 245 primary students; 174 in elementary; 241 in junior high; and 305 in high school.

## Program on Trip To Canada Set Sunday by Scouts

The Boy Scouts and Explorers who went to Canada this summer will present a program Sunday at 2:30 p.m. in the high school auditorium. They will show films and slides of the canoe trip taken into Canada.

Everyone interested in seeing the pictures and hearing a report of the trip is cordially invited.

A watermelon feed will be held following the program in the cafeteria.

## Piper Scrimmage Set At McMurry Friday Evening

The Pied Pipers will hold their second scrimmaged Friday night in McMurry Stadium in Abilene with the Ballinger Bearcats, according to Joe Youngblood.

Youngblood said that the scrimmage will start between 6:30 and 7:00 p.m. with both the B Team and Varsity taking part.

The Pipers scrimmaged Sweetwater here last Friday night.

## Linda Andress, Rayford Williams Exchange Vows In California

Linda Louise Andress became the bride of Rayford W. Williams Aug. 20 in the First Christian Church of Gardena, Calif. A reception at the church followed the 7:30 p. m. ceremony.

Officiating was the minister, Rev. Dean B. Cornwell.

The bride, daughter of Mrs. Louise Fowler Andress of Gardena and Mr. Carl Andress of Torrance, Calif., was given in marriage by her father. She wore an Alfred Angelo original of silk linen. Her empire gown was accented with a Venetian lace ruffle designed with seed pearls and with a chapel train. Tiny crystal and pearl petals held her illusion veil. She carried a cascade of white orchids and stephanotis.

Judy Fuller was maid of honor and bridesmaids were Pat and Pam Andress, the

bride's twin sisters, and Miriam Shayne Redden of Wilmington.

All the bridal attendants wore matching blue peau de soie empire sheaths with panel train and small lace sleeves. They carried bouquets of blue daisies.

Mr. Williams, son of Mr. and Mrs. Earl Williams of Hamlin chose Harold "Skip" Tryon as his best man. Ushers were Steve Andress and Tommy Blackburn, cousins of the bride, and Richard Fuller.

The bride, a Gardena High School graduate in 1964, attended McMurry College in Abilene. She was a member of TIPS Sorority.

Williams is a 1966 graduate of McMurry College, where he was affiliated with IHR fraternity. This fall he will teach sixth grade in Cypress, Calif. where the couple will reside after a honeymoon in Northern California.

Mr. and Mrs. Williams were present for the marriage of their son.

## Mrs. Joe Hall To Head Ladies Golf Association

Mrs. Joe Hall was elected president of the Ladies Golf Association last Tuesday.

Mrs. Dan Gallagher was elected vice president; Mrs. H. D. Stallcup, secretary and Mrs. David Casey, reporter.

The election of officers was held following the City Tournament which was won by Mrs. M. L. Smith.

## Ruth Class Meets In Fellowship Hall

Ruth Class of North Central Baptist Church met in the Fellowship Hall of the church Tuesday.

Mrs. Ben Wilcox gave the devotional.

Mrs. Harold Lee gave the opening prayer and Mrs. Newell King was in charge of the Bible quiz.

A grab box of gifts was presented to Mrs. A. G. Anderson, class mother.

Refreshments were served. Mrs. King voiced the closing prayer.

## W.S.C.S. Sets Luncheon Sept. 6

The W. S. C. S. luncheon will be held Sept. 6 in the Fellowship Hall of First Methodist Church.

Mrs. H. L. Mehaffey will present the first session of the Bible Study as the program. Books to be studied will be James and I Peter.

## Work Started On Birthday Calendar By Senior Class

A new Community Birthday Calendar is being prepared by the 1967 senior class to be distributed the first part of December.

This 1967 calendar will list birthdays, anniversaries, meeting dates of clubs, school activities, plus advertising by our local merchants.

The class members will be happy to have your listings and to reserve a calendar. The listings are 25 cents per line and 75 cents for each calendar. This calendar makes a good memo, gift, or souvenir.

The sale will be from Aug. 29 to Sept. 10.

## Grandson Honored With Navy Medal

Seaman Apprentice James O. (Jimmy) Crawford, grandson of Mr. and Mrs. J. A. Morris, Rt. 1, has received the American Spirit Honor Medal at the Naval Recruit Training Center, San Diego, Calif.

Crawford, son of Mr. and Mrs. Onis Crawford of Merkel, attended Hamlin Public Schools from 1952-55.

He was chosen from more than 1,000 recruits as one of those who possesses the qualities of leadership, honor, initiative, loyalty and a high example to comrades in arms exemplifying today's Navyman.

He visited with his parents before reporting for on the job training as an electronics technician.

Visiting in the home of Mrs. B. H. Gardner this weekend were two daughters, Dr. and Mrs. Kendall Young, Cathy, Ruth, and Kendall G. and Mrs. Dorothy Bourhill of Lubbock. They also visited with their brothers, Harry and Ed Gardner.

## Reception to Honor Fred Allens Sat. On Anniversary

Mr. and Mrs. Fred Allen will be honored on their 50th Wedding Anniversary with a reception in their home Saturday, Sept. 3. All friends of the couple are invited to call from 3 to 5 p. m.

The couple's children and grandchildren will be hosts.

Mrs. Allen is the former Miss Vernie Ann Horton. They were married Sept. 3, 1916, in Ivan, Texas. He worked for T. P. Oil Co. for many years before his retirement.

The Allens have two sons, J. W. Allen of Whiteface, Texas; Milton Allen of Fort Worth; a daughter, Mrs. R. H. Norton of Ontario, Canada; and 13 grandchildren.

Mr. and Mrs. Glen Williams, Howard and Juanita, J. R. Binnicker, Terese Perrin, Mr. and Mrs. Butch Hunt and Kelly, attended the family reunion of Mrs. Williams' family, Mr. and Mrs. W. H. Sellers, in Crowell.

## WHO'S NEW IN HAMLIN

A free six-weeks subscription will be sent to the newcomers to the Hamlin area mentioned each week in this space, compliments of the Hamlin Herald.

Mr. and Mrs. Eugene Gibson, 350 W. Lake Drive, moved here from Tripoli, Libya, where they were associated with Continental Oil Co. for two years. They were transferred to Hamlin two weeks ago. He is a pumper.

Eugene and Zona have four children, a married son, B. D. Gibson, of Garland, Genia Faye, 13, Rodney, 9, and David, 7; and a grandson of Garland. They are members of the Methodist Church.

Mr. and Mrs. Raymond Plumlee and daughter, Pauline, live on Route 1. They moved here from Palestine where they had lived for seven years. He was a pumper

for an independent oil company. They formerly lived in Stamford.

They have four married children, James Plumlee of Stamford, Mrs. Milze Brown and Mrs. M. J. Hickam of Abilene, and Bob Plumlee of Snyder.

The Plumlees are members of the Avoca Baptist Church.

Mr. and Mrs. W. H. Schmidt are living at 608 N. W. Ave. H. He is a serviceman for the West Texas Utilities Co. They moved here from Spur.

They have two married sons, John of Weatherford and Freddie of Canyon.

He was a Volunteer, fireman in Spur.

## SYLVESTER NEWS...

By Mrs. R. M. Babb

My, but it is wet this Monday morning, we just had 2 inches of rain early this morning and it looks like we may get more before the day is over, however south of town it only rained 1/2 inch, but maybe they will get more if they need it.

As we returned home from Church on Sunday night we saw a car stop, go forward, stop, back up and then repeated the process again, yes you have guessed it, Frank Kemp of McCauley was killing a rattler, seems there are quite a few around here near our house so every one be careful at all times.

Well this is the day, school started today I know all the young people were happy to jump out of bed this morning and get ready for school. Jackie Williams won't have to worry about catching the school bus as his mother, Mrs. Herbert Williams will be teaching in the Roby Public School as teacher of Special Education. She taught in the Sylvester Negro school for several years and then in the Aspermont Negro School then last year in the Public School System in Aspermont.

Mr. and Mrs. Thurman Douglas were here from Arkansas last week trying to find a place to live. I believe they will be living in Roby until they get their house built out here on the farm. Also, living in Roby for the present are the Kenneth Mauldin's they have moved back from Breckenridge.

Lea Dickerson has spent several days in Hamlin Hospital, almost having pneumonia. He had hoped to come home Monday but this weather may prolong his stay.

Mrs. Mary Evelyn Porter of Roscos and children spent several days last week with her parents Mr. and Mrs. J. M. Montgomery.

Mr. Chub Hardwick and Vanessa drove to College Station on Friday to bring John home. I believe John plans on attending McMurry this fall.

Mrs. A. J. Griffin had relatives visit in her home one day last week and when they returned to Oklahoma she went with them.

Mrs. Mary Ellen Tanner of Abilene spent the day Sunday in her daughter's home, the Kenneth Leverett's and attended church with them.

Mr. Will Kelly has brought some of the lots on the old school ground and is moving in a house where Joe Boy and his family will live, who said Sylvester isn't growing?

Mr. and Mrs. A. T. Williams of Odessa visited in the Roy Kiser home over the weekend, and also visited Mrs. Williams Mother, Mrs. Allie Ward of Hamlin.

Every one I heard say reported they had a wonderful time at the Rodeo in Roby last weekend.

## 150 Attend Second Annual Rolling Plains Cotton Growers Meeting

The second annual membership meeting of the Rolling Plains Cotton Growers was held on August 23 at 2 P. M. in the Stamford High School Auditorium with approximately 150 present. Dr. Hugo B. Haterius opened the meeting with the invocation, followed by a welcome from L. L. McCaleb, president of the Chamber of Commerce.

Principal speaker for the occasion was F. Wainwright Bleas, South Central Area ASCS Area Director who was introduced by Bland Harrison of Stamford. State ASCS fieldman, Mr. Bleas told the group the 1967 cotton production regulations would seek to maintain a better balance between supply and demand, that producers wishing a price support program would have to cooperate in acreage reduction regulations and that there was little chance of any changes in present skiprow regulations.

Mr. Earl Younts of the National Cotton Council gave an interesting comparison of the markets of synthetics and cotton at the present and told of plans for cotton promotion which will begin this fall through national magazine advertising.

Charles Stenholm, executive vice president of the RPOG, gave a resume of the work accomplished the past four year and plans for the

coming year. Bob Hartgrave, CPA gave a report on the 1966 audit which showed a net income of \$30,686.44 for the fiscal year against expenses of \$36,709.49, showing a loss of \$6,023.05.

Following a complete explanation of the Research and Promotion Act, the president called for a vote on complete support of the Act, which vote was unanimous by the members present.

A meeting of Directors was held following the members' meeting at which time the Directors discussed and approved setting up 10 districts in the 31 counties based on comparative production bases, increasing the number of directors from seven to 10. In the re-organization session, Mr. J. B. Cooper, Jr. of Roscoe was re-elected president, Johnny Hansen of Avoca was re-elected secretary and Neuman Smith of Ballinger was elected vice president to Succeed S. N. Reed of O'Brien. The following directors and district no. were elected: Paul Montgomery of Memphis, No. 1, Joe Liles of Childress, No. 2, L. H. Wall of Vernon, No. 3, Sammy White of Knox City, No. 4, J. T. Odell of Woodson, No. 5, Johnny Hansen, No. 6, Ross Hargrove of Colorado City, No. 7, J. B. Cooper, Jr. of No. 8, Neuman Smith No. 9 and R. O. Werner of Miles, No. 10.

## Make your life have the right ...

## on others

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The carpenter knows that there is a proper way to hold the hammer, and that the nail must be hit from the right direction or the nail will bend.

As children of God we need to make the right impact on others. When we attend church we learn how to treat others, and at the same time are setting an example for others. If we remain straight as a well hit nail, then others are less likely to bend.

*"For I have given you an example, that ye should do as I have done to you."*

Coleman Adv. Serv.

## From the EAGLE'S BEAK . . .

Jeanne Acklin  
Linda Spalding

The school doors were opened Aug. 29 to all the eager pupils. From the enthusiastic children starting in the first grade, right down to the great Seniors, finishing their last year.

The Freshmen were glowing all over, believing that they really made a large step in life, starting in high school.

The Sophomores were filled with pride because they are now upper-classmen.

The Juniors are already looking forward to the Jr.-Sr. trip.

The Seniors are excited about their last year in high school, and then on to college. Each class is looking ahead to the football, basketball, volleyball and track season and the parties and activities that accompany these activities.

Spurlon Harris was elected president of the Senior Class. Other officers are Martin Hernandez, vice president; Jeanne Acklin, treasurer; Linda Spalding, secretary and Adolfo Guerrero, reporter. Senior pictures will be taken Sept. 8 and all of the boys and girls are selecting appropriate ties and dresses for the event.

## 41 Expected to Die In Labor Day Weekend Traffic In Texas -- DPS

Austin — Col. Homer Garrison, Jr., director of the Texas Department of Public Safety reported today that DPS estimates indicate that 41 persons will die in traffic accidents during the three-day Labor Day weekend.

"The current traffic trend indicates that Texas is headed for its third straight record high in terms of fatal accidents," Garrison said. "At the present time we are approximately 15 per cent ahead of the same time in 1965. . . and we are still faced with the four months of the year which generally produce the most deaths."

"More people are killed in Texas each year in traffic than are killed in all the United States by murder and homicide," Garrison continued, "and the deaths are just as senseless, as needless and as tragic, but not nearly as well publicized."

"Psychologists say that one reason the general public fails to take positive action in

matters of traffic safety is due to a lack of personal identification with the problem. It might behoove each driver in our state to stop and consider that he has less than a 50-50 chance to go through his driving career without being involved in a traffic mishap, or without incurring injury to himself or one of his family. The 41 persons expected to die in traffic during the Labor Day holiday have no idea that they will be involved in an accident, either."

In an attempt to offset dangers caused by the increased traffic on the highways during the holiday period, the Department of Public Safety will conduct "Operation Motorcade." Approximately 150 uniformed officers from other DPS services will be on the road to supplement the Highway Patrol enforcement action. Also, to call public attention to highway dangers, each traffic death will be tabulated and the total will be announced three times daily from DPS headquarters in Austin.

## OLD GLORY . . .

By JUDY WHITE

Several showers totaling about an inch and one-half fell here last week, then on Sunday night the community received from two and one-half to three inches more. This has brought a temporary halt to the maize harvest in this area.

Mrs. Joy Jameson who taught third and fourth grade here during the past two years has resigned to teach in Aspermont this year. Mrs. Jameson has many friends in this community and we regret to see her leave, but we do wish her the best of luck in her new job.

Mrs. H. E. Carr observed her 86th birthday on Thursday, Aug. 25. Her daughter, Mrs. J. F. Newman, prepared her birthday dinner and brought it to her home. Among those who called during the day were Mrs. Bill Roy of Hawley and Mr. and Mrs. Jiggs Fouts of Wichita Falls. She also received many cards and telephone calls from friends and relatives both near and far away.

Recent visitors in the home of Mr. and Mrs. J. F. Newman included two of their sons and their families, the Jim Delton Newmans of El Centro, Calif. and the James Russell Newmans of Seminole.

Mr. and Mrs. Herbert

### Bill Feagan, Cecil Sellers Named Round-Up Leaders

Bill Feagan and Cecil Sellers have been named area chairmen for the Cattleman's Round-Up for Crippled Children by Charlie Morris, chairman.

These men along with others will lead the Round-Up which is the chief means of funds for the West Texas Rehabilitation Center of Abilene. Only recently, Roff Hardy, president of the board of directors at the Center, announced that for the first time in its nearly 13 years of existence, the Center was forced to borrow \$20,000 in order to continue its free treatment of 1,604 patients.

Last year, the Round-Up raised \$80,000 toward the Center's annual budget of \$251,900. Other funds for the Center, which has never accepted state or federal funds, have come from United Funds, memorial, and general contributions.

### Skydiver Added To State Fair Midway Rides

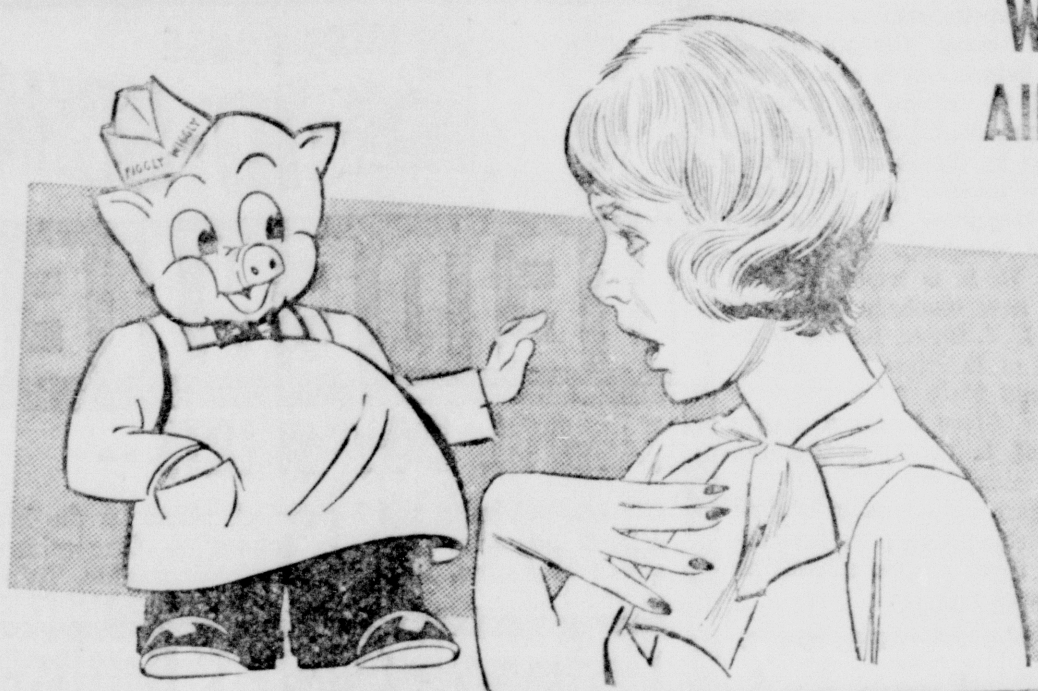

That Big Tex, the colossus of the cowboy world, should stand at the entrance to the most mammoth of Midways seems only right.

Actually Big Tex's Million Dollar Midway may not be the biggest in the world, but it does offer an unparalleled king-sized area of fun features, surely and solidly packed and jammed with every kind of brand new and old familiar ride and amusement device.

One of the newest rides — the Skydiver — will be a featured attraction on the Midway at the 1966 State Fair of Texas October 8 through 23 in Dallas.

This exciting skyscraper, resembling a Ferris wheel and making its debut on the amusement circuit this year, is 75 feet high and is equipped with enclosed gondolas which can be controlled by the riders as the big wheel soars far above Midway.

A brand new version of the Himalaya — would you believe faster and louder than ever? — will be easy to find, along with a riot of other rides which have proven popular among the Midway fans — The Roundup, Flying Cages, Cakewalk, Flight to Mars, Calypso, the Trabant, Zoomer, German Fun House and Go-Cart Grand Prix.

We Will Be Closed

**STUDENTS RECEIVE INSTRUCTIONS**  
—Principal B. V. Newberry speaks to the students at Hamlin High School at an assembly in the high school auditorium. There are 305 enrolled in high school. The Freshman class is largest with 89 students, 50 boys and 39 girls.

The Sophomore class includes 37 boys and 47 girls, a total of 84. The Junior Class of 68 students has an equal balance of boys and girls. The Senior Class, also with an equal balance of sexes, has 64 students.

## Area Farm and Ranch News

By DON ELMORE

Boy it's good to be home. Hospitals are wonderful, but you sure tire of them fast. Say, someone wrote the right place and got the best rains you could order. This ole country can look the worst and with a little rain, it will perk up and look the best of any place I know.

Say all you horse-men and women, Labor Day they are having a play day at Old Abilene Town. There will be two classes of Western Pleasure — Junior, 15 and under; Senior, 16 and over. Buckles in each age group.

Speed events are Pole Bending, Flag Race, and Barrels with three age groups — 13 and under, 14 to 17, and 18 and over. Buckles for high point rider in each age group. Entry fee is \$1.00 for western Pleasure and 50 cents in each speed event.

It does not matter how good or bad anyone rides or competes, you will have a good time at this play day. My family and I all went to one last year and really enjoyed ourselves. The people of Abilene were very friendly and cordial to us.

All minors will need a minor release, which I have some blanks for anyone who wants one.

Well you can tell it is nearly wheat grazing time. I heard some rancher and farmers talking about 28 to 32 cent calves. So I'm sure it was for wheat grazing. They're the only ones eager enough to pay like that for calves.

I wish someone would write back and order a hard shower for some stock water, all the rains have fallen slow and not run our tanks full. The fish said they'd enjoy a fresh drink too.

### Reunion Set

The Franklin County Reunion will be held Sunday, Sept. 4, at Forest Park in Lamesa, according to Mrs. Tip Turner, a member of the group.

Everyone from Franklin County is invited to attend and take a basket lunch.

The reunion was organized by Former East Texas residents of Franklin County who are now living in West Texas.

### Benefit Show Set

A Country Music Jamboree will be held tonight (Thursday) at 8 p.m. in Merkel High School, a benefit performance for the Billy Powers Fund. Powers has been hospitalized for several months.

### NEW SUBSCRIPTIONS

Rev. Cecil Hardaway, 210 N. W. Ave. A.  
Kenneth W. Lawlis, Brownfield.

I. R. Witt, Hamlin  
Mrs. A. O. Tindall, Hamlin
